Arizona Corporation Commission
Utilities Complaint Form

a. We are customers of the Arizona Water Company.

b. We will be directly and substantially affected by a 29.06% increase in water rates; we, as senior citizens on fixed incomes and no increase in social security in the foreseeable future, and our daughter as a low income wage earner.

While we know that companies propose initial outrageous rates, knowing many people will be mollified when a final lower rate is approved, any rate increase above 2% is totally and completely unacceptable.

c. Our comments are germane to the proposed rate issue and we plead that the Commissioners will bring some sanity to the Arizona Water Company proposal by refusing their request. WE must live within our limited budget. AWC can do so too, as well as find ways to decrease unnecessary expenditures.

Sincerely,

Kathleen Morrison
